Frequently asked questions:

1. Suppose I don't have access to a computer?

If you don't have access to a computer, you may renew your Virtus certification by attending a live session. (Please note that the live sessions are three hours long.)

You will be asked to complete a paper Background Check Authorization form; these forms will be provided at the live training session. Please note at the top of the form your school, parish, or other Diocesan location where you'll be serving. Return the form to: Diocese of Bridgeport, Office of Safe Environments, 238 Jewett Ave, Bridgeport, CT 06606.

2. If I don't have access to a computer, how do I register for a live session?

Please call the Virtus Help Desk at 888-847-8870 to register. Note that if you have already had Virtus training in the past, you already have a Virtus account. The Help Desk representative will locate your account and register you for training using your pre-existing account. *(Please do not create an additional Virtus account if you already have been Virtus trained in the past!)*

3. Is my personal information safe?

Both the Virtus and the MYB sites (used to process background checks) are secure websites, using SSL (Secure Socket Layer) protocols. Entering this information yourself is actually more secure than using a paper form for another person to enter on the same website. Elimination of paper also eliminates the possibility of lost or misfiled forms and therefore protects you further.

4. I attended Virtus a few years ago, but I don't remember when, and I lost my card. How do I know I need to recertify my training and background check?

Please call Mike DiToro, Safe Environment Database Manager at 203-416-1407 or by email mditorio@diobpt.org for assistance. He will verify your training date and provide a replacement card if necessary.
