Words from Monsignor Rob Kinnally

Of many things...

As we begin this Lenten Season, I want to take some time to reflect and to update you on happenings in the parish. First of all, a long overdue thank you to everyone who made our Advent and Christmas season a truly lifegiving experience of prayer, song, and beauty. Our choir concert was spectacular, uplifting, and drew one of the largest crowds ever! Thank you Dr. John Michniewicz, Nancy Leville, our children's and adult choirs, soloists, instrumentalists, and our wonderful music patrons who helped us to celebrate the Newborn King on that day and all of our December days of worship together. To our Knights of Columbus and other volunteers who put up our creche in its new (temporary?) location: thank you for always stepping up these many years, no matter what the weather. What a crowd we had for the living nativity! Our Confirmation candidates did a great job of drawing us into the peaceful scene in Bethlehem. The church Christmas decorations were very special this year, and we received so many compliments. John, Judy, and Gregg Strba of Gregg's Landscaping created an environment of wonder and awe that evoked so much joy. Thanks also to Trisha Albus and her merry and dedicated band of helpers who fashion flower arrangements, tend to the watering and trimming, and ensure that our altar coverings are adjusted to the proper season, cleaned and pressed. As you can tell, it takes a bit of a village to maintain a sanctuary!

Ash Wednesday saw very large crowds all day long. My apologies if you encountered parking challenges; the company that manages the commuter parking in our lot experienced a glitch and did not inform the customers that the lot was not available. We have a guarantee that the lot will be all ours on Good Friday. In case you didn't know, "Boxcar" manages commuter parking in our lot and it is a good source of income for the parish. When we have a large funeral or other event, we can "turn off" the parking so the lot is for parish use exclusively.

If you haven't picked up your copy of "Ashes to Easter" (our parish guide to all that is going on in our parish and nearby to draw us more deeply into the suffering dying, and rising of Jesus), read it online or grab a copy from the back of the church. The "Little Black Books" daily devotionals were very popular and we ran out. We ordered an additional 250 copies, and they should be here in about a week.

The campus project is on schedule. Some of the steel framing will arrive next week and concrete pouring will begin the week after. It will be wonderful to see the buildings going up! We have raised \$19.8 million toward our goal of \$26 million. If you haven't had a chance to participate in this exciting endeavor, send me a message directly (frrob@starcc.com), and I'll supply all the info you need. Please continue to pray for the success of the project.

The Saint Aloysius Catholic Preschool will become a reality in 2025. When you receive a questionnaire about preschool needs, please respond; you'll be contributing to the success of a thorough and essential feasibility study. The preschool study committee is a group of knowledgeable, experienced, and energetic parishioners. They will provide the guidance I need to make the preschool a true success that does the best job possible of bringing Christ to very young hearts and their parents.

That's enough for now, except to say that Father Bob, Father Dave Franklin, Father Flavian, and I pray for you every day. May the Lord bless you throughout the grace-filled Season of Lent!

The Institute for Catholic Formation offers parishes resources throughout the year so that leaders can focus on what they do best: engaging with the faithful in the pews. From book clubs to reading groups to workshops to posters in Lent and Advent, the Institute provides free resources to make parish life better, a pastor's life easier, and the faithful more engaged. When you make a gift to the Bishop's Appeal, you support the ministries that continue faith formation. Thank you for your gift.

We are Never Too Young to Serve!

Our Never Too Young to Serve high school teens led religious education students in performing a Corporal Work of Mercy last week during their class time. After a discussion on answering the call to serve others with the love of Jesus and a saint-like heart, the students decorated bags with inspirational messages and filled them with snacks. The bags will be distributed by *Filling in the Blanks* to school children who might otherwise not have food at home on the weekends. Our teens also shared the story of St. Teresa of Calcutta and led the students in prayer! The project was made possible by a grant from *Foundations in Faith*.

Our Married Couples Valentines Dinner was a grace-filled evening attended by 80 people who enjoyed a reception and a bountiful dinner served by some of our Youth Ministry teens. Our couples had intimate conversation as they sat at candlelit tables for two! Our special guest, Father Peter Adamski presented thoughts that were filled with inspiration and wisdom. He spoke from the place of a spouse who was once married before his wife lost her battle with cancer and then discerned to follow his youth dream of becoming a priest! Our couples left with shared marriage advice and a *Lent for Couples* booklet to guide them through the upcoming season! Special thanks to our confirmation students for their help in setting up the room, Erin Hedley of La Dame du Fromage for her beautiful cheese and charcuterie board, Sue Scott in the kitchen, our high school teens, Sarah and Tony Leopold for helping to organize and host and to our priests and Deacon Bill for being with us!
