

TRACK IT FORWARD

ONLINE TRACKING FOR CONFIRMATION SERVICE HOURS

Service helps our students deepen their relationship with Jesus Christ and continues to strengthen their Catholic faith and identity by inviting them to embrace a life of Christian service to our brothers and sisters! It's putting their FAITH into ACTION!

When it comes to joining Christ in His mission here on this earth, it's not just about counting hours and stopping when you get to 10.

ALL Level 1 and Level 2 students are asked to track their hours online. There will be no paper forms. To sign-up for our online system to track your service hours, please go to:

<https://www.trackitforward.com/site/st-alloysius-parish>

In the "Need an Account" section, click on [Sign Up](#).

(Be sure to enter STUDENT first and last name!)

Once you register and complete your profile, you will be brought to the screen to log your hours. If you have already done hours, you can input them. As you do your future hours, log them right away!

Students may also sign up for service opportunities and events at Track it Forward. Click on [Event Signups](#) to see the calendar of events and follow the prompts to sign up. If you are a parent and will be signing up to assist us as a virtue trained adult chaperone OR providing a requested donation, you can sign up by just leaving your name, phone number, and email. Do not create your own account - the account base is ONLY for our students!

How To Download the App

The mobile app is available in the Google Play Store and the Apple App Store

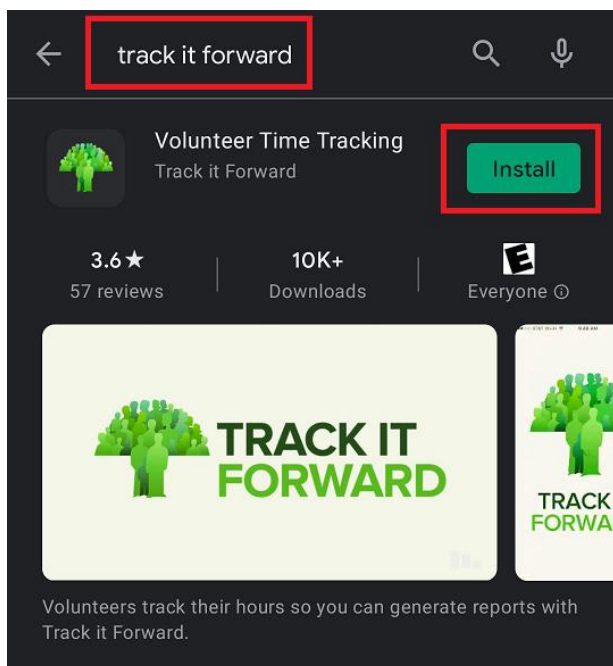

Our mobile app can be found in the Google Play Store and the Apple App Store. It's free to download for volunteers and administrators so you can easily log hours from anywhere!

Please note: Prior to using the app, you will need to register as a new user through the Track It Forward website under your organization.

Download the App

To download the app, open your mobile device's app store, and type **Track it Forward** in the search bar. Click the option to install/download.

Sign In

Once the download is complete, click **Open** to access the app. You will be redirected to the sign in page where you can enter the email address and password associated with your user account.

***If you have had a child in our Confirmation Prep Program that has used Track it Forward in the past, please reach out to me, as I have to delete their account for you to use the same email. If you have a Level 1 & Level 2 student, you will need to register your Level 1 student with a different email. ***
