#### Keeping it Simple this Lent

Our Lenten journey together as a parish begins Wednesday when we wear ashes to remind us of our mortality, acknowledge our sinfulness, and humble ourselves to allow the suffering, dying and rising of Jesus to become our focus for 40 days. The tendency is to set prayer, fasting, and almsgiving goals that we can't sustain throughout Lent. I think it's more important to set goals that are attainable and that leave us wanting to do more.

Allow me to make some suggestions about Lenten practices:

1. Keep it **simple**: go to daily Mass when you can
2. Keep it **sacred**: find that place in your home where it's easy to pray
3. Keep it **slow**: pull back from an activity that's not essential and just sit with God
4. Keep it **smart**: don't give up something that's going to cause you to be miserable
5. Keep it **stark**: give up something that enhances your longing for God
6. Keep it **sin-free**: go to Confession at the beginning of Lent to get a clean start
7. Keep it **surprising**: try different things like new ways of praying that keep the conversation with God going

The Saint Aloysius "Ashes to Easter" booklet will provide you with some wonderful opportunities for prayer, worship, confession, charity, service and more right here in the parish. It will be available in church next week and will be posted on our website. I recommend that you read the entire publication right away and highlight the things that you plan to attend.

One last thing. Consider a **"Technology Fast"** this Lent. It's simple but challenging: You and the ones you love make a pledge to keep cell phones and other devices away from the table. Eat together, talk, play board games, color in coloring books, draw, paint, cook together, play cards, and enjoy being fully present to one another. The first one to go away from the table and pick up a phone does the dishes, takes out the trash, or performs some other not-so-fun task.

Our fasting from the cell phones that consume our day allows us to discover the God we find in silence and in those around us.

Lenten blessings,

*Father Rob*

#### Weekly Adoration

Fridays from 7:30 a.m. to 7:30 p.m.  
(immediately following 7:00 a.m. Mass)

Our country has begun a National Eucharistic Revival with a mission to renew the Church by rekindling a living relationship with Jesus in the Holy Eucharist!

Adoration is a beautiful and grace-filled opportunity to sit in the presence of our Lord. We invite parishioners of all ages to stop in for a few minutes or sign up to spend an hour and be one of our adorers. ### ~ Youth Ministry ~

Lent starts **THIS** Wednesday! Wherever you happen to be, find a Catholic Church and receive your ashes to kick off your Lenten journey (see next page for our Ash Wednesday photo challenge!)

This year, instead of fasting from what you normally fast from, pray on doing our **PHONE FAST 2023!** Try fasting from social media! If you can't do a total fast from social media, try limiting your time on your favorite sites. Try doing it on Sundays or set a timer on your phone for fifteen minutes each day and stop scrolling and close your apps, Instagram, snapchat or TikTok when the alarm sounds. Remind yourself that your worth doesn't depend on the number of likes you get, but on your place in God's family as a child of God!

Our teens have been busy in prayer, service and worship! Leading our confirmation students and their peers in praying the Teen Rosary, bringing joy to our friends with special needs at the Tim Tebow Night to Shine Prom, a Valentines visit to Thorpe and teaching some of our religious ed students that they are **Never Too Young to Serve!** More pics can be seen on our StAY Facebook page!

### CAMPAIGN

#### We Stand with Christ Campaign and Project for Saint Aloysius

Total of Pledges as of Feb. 14: **\$16 Million (62% of Goal)**  
Campaign Goal: \$26 Million  
Number of Donors: 267 (Up 5% from 2 weeks ago)  
Campaign End Date: We will gladly accept gifts through March 2023!

Thank you to those who have pledged! **We need everyone – no matter what the gift – to reach our goal!** Allison McCarthy ([amccarthy@starcc.com](mailto:amccarthy@starcc.com)) can help with any questions, including **memorials or other naming opportunities**. And remember that pledges can be made over a **five-year** period. We will have new drawings, 3-D images, and virtual tours of the new structures by next week so you can see how this exciting project is evolving.

**Construction update:** We will go before the Planning and Zoning Commission on February 28 with updated drawings and plans that we believe are in sync with the Commission's recommendations. A few prayers would be most welcome! Work continues on the installation of the new gas boiler in the church. The building committee has been formed. This group of parishioners will assist in the planning of major and minor details of the entire project. The demolition of the school building has begun. Work on the inside of the building is the first order of business. Within the next few weeks, parts of the building will begin to come down. This will be a safe process and will have little impact on the rest of the property or adjoining properties. Things will look a bit "ugly" for a while, but we hope to begin new construction as soon as we can.

#### We are Never Too Young to Serve!

Our Never Too Young to Serve high school teen leaders, assisted by some of our confirmation students, led religious education students in performing Corporal and Spiritual Works of Mercy last week during their class time. After a discussion on the importance of serving others with the love of Jesus, the students made Valentine's cards with affirming messages and assembled 100 Blessing Bags that were sent to New Covenant Center to be shared with their clients on Valentine's Day! Our teens also shared about St. Valentine and led the students in prayer!
