St. Aloysius Church, New Canaan, CT

Words from Monsignor Rob Kinnally

YOU are the Light of the World

We have been hearing for a few weeks about God being light for those who walk in darkness. This week, Jesus tells us that WE can become light for others. By participating in God's will (that is, by enacting justice and compassion) we also participate in the beauty of God. We don't generate the light ourselves; rather, we reflect God's light outward, making it brighter so that all might see it.

As we carry out works of mercy, we may not think about light at all; such acts are messy, thankless, inconvenient, and far from glamorous. However, to those to whom we have shown mercy, we are light, and God assures that these good deeds are beautiful in God's eyes.

We are just a few weeks away from Lent, a time when we contemplate God's mercy that is made known to us in the Passion of His Son. Well before Lent, we might think not about what we will "give up," but rather how we will reflect God's light. Maybe we think not about how we will get through the dark and wintry days of dreary Lent, but rather how we will *love* our way through Lent by bringing light to the darkness experienced by our brothers and sisters who are poor, lonely, sick, or struggling in any way.

Jesus also speaks of "salt" this weekend. Salt adds flavor to even the plainest of dishes; it helps people taste. The gifts and grace that we bring to those who are hurting, helps them to have a better experience of the life that God gave them.

Pray about how YOU can be salt and light. Start in Lent, and then keep on "salting" and "lighting." You might just wind up seeing the beauty of God – now and in Heaven.

Father Rob

CAMPAIGN

We Stand with Christ Campaign and Project for Saint Aloysius

Campaign Goal:	\$26 Million
Number of Donors:	255
Campaign End Date:	We will gladly accept gifts through March 2023!

Thank you to those who have pledged! January brought us a great number of pledges and payments. **We need everyone – no matter what the gift – to reach our goal!** Allison McCarthy (amccarthy@starcc.com) can help with any questions, including **memorials or other naming opportunities**. And remember that pledges can be made over a **five-year** period. Please visit our parish website to learn more about this exciting project. Thank you for prayerfully considering a generous pledge! And please pray for the success of our efforts: that we may do all of this for the greater glory of God.

Construction update: the new, smaller, and efficient gas boiler for the church was delivered and installation will begin on Friday, February 3. The unit will be installed in a portion of the "priests" sacristy. It was the best way to optimize making the gas connection. We lost two cabinets that contained vestments for Mass, but eventually the vesting sacristy will move to the narthex area, and the present sacristy will remain as a place where the vessels and supplies for Mass will be kept and prepared for each liturgy. I'll say more in a week or two about the timeline for the remaining church upgrades (confessionals, restrooms, flooring, pew repairs, etc.) We are preparing new drawings and a 3-D "fly-through" of the interior of the new buildings. Those should be available to you in about 2 or 3 weeks. **I would appreciate it if you would let the Planning and Zoning Commission know that you support our project – send your letters and emails to them, please!**
